

Sponsorship Packages

On Sunday, September 29, Greater Park Hill Community, Inc (GPHC), along with Park Hill neighbors, businesses and community organizations, will celebrate the 46th Annual Park Hill Home Tour & Street Fair, a Denver tradition that began in 1978 when a local realtor organized a tour of Park Hill homes to unveil the rich history and diverse architecture of the neighborhood. Over the years, the Park Hill Home Tour & Street Fair has evolved into a community event that, in addition to showcasing beautiful homes, includes vendors, food trucks, wine and beer, entertainment and kid-friendly activities.

The Park Hill Home Tour & Street Fair benefits GPHC, a non-profit registered neighborhood organization that promotes the **character** and **vibrancy** of Park Hill; provides **resources**, **information** and **advocacy**; and preserves the **quality of life** and **history of the neighborhood** through **community outreach and participation**.

We sincerely thank you for being a sponsor of this year's event. It can only happen with the generous in-kind and financial contributions from businesses like yours!

To register, complete the form at parkhillhometour.org/sponsor.
